

Terre Haute German Oberlander Club

October 2026

From the President

OK as everyone who really knows me, I'm a procrastinator! It drives Kari (and others) nuts. So this month's article is a little late, so likewise the newsletter.

September was a busy month, and October has shaped up to be even busier. Not having Oktoberfest in September was a disappointment for many. I've heard from a lot of people around town they miss it. However, they understand when I explain the reasons. It seems that people just don't join organizations or volunteer like they used to. The Brat Trot 5K, I put on at church, is struggling with volunteers and participants this year. There isn't a lot of "reasons" to be around people anymore. They can watch anything, anytime, and anywhere on their phone. Anything you want to eat can be delivered to your door. Shopping is a given between Amazon, Etsy, eBay, and others. There is no practical reason to interact with others. But what is wrong with this picture? It's no fun!! Fun and enjoyment is the product we need to sell. Not beer and brats (of course that's fun and enjoyable), but physical interaction with others. Make a connection with people.

The decision to make the November Founders Day dinner into an extended Oktoberfest style event is an attempt to engage more people without as much prep needed. A longer happy hour type event with music will hopefully entice more people to attend and enjoy. And that can be a great opportunity to potentially recruit. Bret's idea of hanging around after the membership meeting this past Thursday was successful as most people stayed to play the Grand National Horse racing game.

It's not all gloomy on the event front though. We've had an inquiry about partnering with another group on a Oktoberfest. Way too early to even speculate on this but it's something we're going to investigate. Neighbors helping neighbors.

As we head into the holidays, there's lots of things going on here at the Klub and elsewhere. Let's get out there and enjoy and support these things. And while you're at it, talk up the Klub and our events, what we do, etc.

Maybe these little things can reverse the trend of isolation we all see every day and get people talking to each other again. There's a lot to be gained by that.

Brad Cress, President

Our hearts go out to Erin Wineinger and her family following the passing of her mother, Phyllis Jane Rayburn, on September 26th. Please keep Erin and Kris, her father James, and her brothers, Evan and Ethan, and their whole family close in your thoughts and prayers during this difficult time.
